

# SCI>FI STARTER PACK

Vector Brushes and Assets  
for *Affinity Designer*

## A big **Thank You** for your download!

One of the most critical stages of the creative process is the very beginning, when you have nothing at all and must generate as many ideas as possible. This pack has been designed to assist you in your creative process, providing you with the tools to make your brainstorming sessions, **more fluid, more fun and more productive.**  
Enjoy!
